Joseph C. Sullivan
Mayor

DEMOLITION SIGN-OFF FORM

Per 780 CMR: State Building Code, Section 112.1 "Service Connections"

Section 112.1 – Before a building or structure can be demolished or removed, the owner or agent shall notify all utilities having service connections within the building or structure, such as: water, electric, gas, sewer and other connections. A permit to demolish or remove a building or structure shall not be issued until a release is obtained from the utilities, stating that their perspective services, connections and appurtenant equipment, such as: meters and regulators have been removed or sealed and plugged in a safe manner

All debris shall be disposed of in accordance with MGL, Chapter 40A, Section 54.

Under the provisions of the above referenced Section 112.0, this office requires this document to be completed with the following information and releases:
