Joseph C. Sullivan  
Mayor

Date: September 5, 2008  
To: Facility Owners/Managers  
Re: **Braintree Hazardous Materials Registration**

The Health Division is responsible for enforcing the Hazardous Materials Bylaw, as set forth in Chapter 8.16 of the Town of Braintree Bylaws. This bylaw requires "every owner or operator for each commercial or industrial establishment which stores, transports, uses, handles, or otherwise manages hazardous materials shall register with the Department of Public Health." Registration is required annually. Hazardous materials include combustible, corrosive, flammable, explosive, or radioactive materials, oxidizers, etiological agents, irritants, poisons, or other regulated materials. Please complete the enclosed registration form and return to our office along with a registration fee of \$25.00 by **November 1, 2008**. Failure to return this form shall be punishable by a fine of not more than two hundred fifty dollars (\$250.00) in addition to all costs incurred to the town associated with each violation.

The form includes a table that requires you to identify the chemical type, the maximum amount stored at any given time, the type of containers it is stored in, and the storage location(s).

Below is an **EXAMPLE** of how to fill out this table:

Name	Hazard Type	Maximum Quantity	Container(s)	Storage Location
Gasoline	Flammable	5,000 gallons	5,000-gallon UST	southwest corner of lot
Bleach	Irritant, Toxic	20 gallons	1-gallon plastic bottles	basement storage room
Perc (Tetrachloroethene)	Flammable, Toxic, Carcinogenic	55 gallons	55-gallon drum	back room, adjacent to dry cleaning machine

If you have any questions regarding this registration, please call the Health Division at (781) 794-8090.
