(Former By-law Section 5.04.030)

**SECTION 5.200.040 Denial, revocation or suspension of license or permit for nonpayment of municipal charges**

- A. The Town, acting by and through the Board of License Commissioners or any other licensing authority, may deny any application for, or revoke or suspend a building permit or any local license or permit including renewals and transfers issued by any board, officer, or department for any person, corporation or business enterprise, who has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges, including amounts assessed under the provisions of Chapter 40, Section 21D of the General Laws, or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is to be carried out or exercised on or about real estate whose owner has neglected or refused to pay any local taxes, fees, assessments, betterments or any other municipal charges.

## **Chapter 5-575 - PRINTED MATTER VENDING MACHINES**

(Former By-law Chapter 5.38)

### **SECTION 5.575.010 Definitions**

As used in this chapter, the following terms shall have the meanings indicated:

Printed matter vending machine (referred to herein as "machine") – Any coin- or token-operated box, container, stand, rack, storage unit or other dispenser or device installed, placed, used, operated or maintained for the display and sale or distribution of newspapers, periodicals or other printed matter for public use. (ATM 5-9-2001 Art. 17)

### **SECTION 5.575.020 Permit Required**

No person, firm, corporation, association, partnership, trust or other type of entity shall place, install, use or maintain any printed matter vending machine on any public way, sidewalk, or other property owned or controlled by the Town without obtaining a written permit therefor from the Board of License Commissioners. (ATM 5-9-2001 Art. 17)

**SECTION 5.575.030 Application - Fee**

The application for the permit shall fully and specifically describe the printed matter vending machine by setting forth its size by height, depth and width or any other relevant dimensions if varying in height, depth and width, the name and address of the applicant, the exact date or dates said machine will be in place or in operation, the exact place where the machine will be located; the manner in which said machine shall be affixed or held in place and the description of any object to which said machine shall be affixed. Further reasonable information which may affect the public safety, health or order in the community may be requested from the applicant. An annual application fee, the amount of which will be determined upon passage of this chapter and annually thereafter by the Board of License Commissioners, which fee will be reasonably related to the costs of processing said application, shall be paid for each machine licensed. The form of application shall be approved by town solicitor. (ATM 5-9-2001 Art. 17)

Prior to the issuance of any permit hereunder, a certificate of insurance for the purpose of providing such indemnification shall be filed with the Board of License Commissioners in a form and amount approved by the Board of License Commissioners. (ATM 5-9-2001 Art. 17)

**SECTION 5.575.045 Grant or Denial; Hearing**

Within ten days next following the close of the hearing, the Board of License Commissioners shall grant such permit or shall deny such application if it does not comply with the provisions of this ordinance, or upon a finding that issuance of the permit would create a nuisance or would endanger the public health, safety, or order by:

1. Unreasonably increasing pedestrian traffic in the area in which the machine is to be located;  
or
2. Endangering the public safety by reason of the machine's projection onto, into, or over any part of the roadway of any public street; by reason of its being affixed to a site or location used for public utility purposes, public transportation purposes or governmental use; by reason of its being located in such manner as to unreasonably interfere with or impede the flow of pedestrian or vehicular traffic, sidewalk or street cleaning and/or snow removal, or the ingress or egress from any residence, place of business or any legally parked or stopped vehicle; or by reason of harm and defacement caused by its being affixed to poles, posts, traffic signs or signals, hydrants, mailboxes or other objects at or near such location.

Notice of the denial of an application for a permit shall be in writing and accompanied by a statement of the reasons therefore. The Board of License Commissioners may impose conditions upon the permit which relate to compliance with the permit, applicable laws or ordinances, or to public safety, health or order, or to guard against the creation of a nuisance, or to ensure adequate safety and security for the public.
