

MA BANNED MATERIAL - HOME CONSTRUCTION & DEMOLITION

In 2023, the Mass Department of Environmental Protection enacted several changes to regulations that resulted in more items being listed as “banned” from the trash or recycling. Among the most common, new items are construction materials, including:

Dry wall/wall board	Windows	Doors
Clean Gypsum	Glass Inserts	Toilets
Pallets	Wood	Shingles
Stones/Bricks	Fencing	Cabinets

Suggestions for economical disposal of most items listed above:
Champion City Recovery, 138 Wilder St., Brockton, (508) 941-6700
Willards Disposal, Quincy, (617) 770-4503
