CHANGES IN MATTRESS/BOX SPRING COLLECTION

The collection program in Braintree for mattresses/box springs, initiated following the State's new regulation prohibiting these items from being collected in the trash, was modified so only those using the service, pay for the service.

Residents need to arrange scheduling of pickups and payment directly with a company that provides those services.

Listed below are some of the companies that provide collection of mattresses & box springs:

SOUTH SHORE RECYCLE	(617) 842-2434
HAND UP	(774) 271-8744
GREEN MATTRESS	(508) 488-6867
WILLARDS DISPOSAL	(617) 770-4503

You can also check to find a store to purchase from that offers competitive pricing and take-away options. Some may not charge or have competitive disposal fees, saving you time and money.
