# Community Screening of

SCREEN AGERS

ELEMENTARY SCHOOL AGE EDITION

The movie explores the vulnerable corners of family life, including struggles over social media, video games, academics, and internet addition.

Through insights from authors, psychologists, and brain scientists, this movie reveals how tech time impacts kids' development and offers solutions for empowering kids to navigate the digital world and find balance.

What is a healthy amount of screen time for my child?

How do I support my child's mental wellbeing?

How can we minimize conflict over screen time?
