**RE:** Request for Appropriations – Fiscal Year 2025 Capital Projects (Enterprise Fund Bonding)

---

President Ryan, Clerk Cimino, Clerk Casey,

In conjunction with my Fiscal Year 2025 Capital Improvements Plan (“CIP”), I am submitting for your review and approval the following Enterprise Fund bonding capital article. Details of the projects can be found in the forthcoming 2025 CIP that I am filing simultaneously with this order.

Accordingly, your review and approval of the following motions is requested:

TOWN OF BRAINTREE, MASSACHUSETTS

IN TOWN COUNCIL

ORDERED:

That the Town of Braintree appropriates the sum of One Million Fifty Thousand Dollars (\$1,050,000) to pay the costs of the following capital project:

<u>Source</u>	<u>Title</u>	<u>Amount</u>	<u>Authorizing Statute</u>
Stormwater Fund Debt	FY 25 Stormwater Capital Equipment	\$1,050,000	Chp. 44, s 7(1)

and for the payment of all other costs incidental and related thereto; and, that to meet the appropriation, the Treasurer, with the approval of the Mayor, is authorized to borrow said amount under and pursuant to the authorizing statutes described above, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor; and that the Mayor is authorized to take any other action necessary to carry out this project. Any borrowing pursuant to this order shall constitute a general obligation of the Town, but it is the intention of this Council that any such borrowing shall be repaid, in the first instance, from the Stormwater Fund.

A bond authorization requires a 2/3 vote of all members of the Town Council to approve. Since the request involves a bond authorization a public hearing is required under section 2-9 of the Town Charter.
