2018 SPECIAL USE PERMIT SPECIAL EVENT APPLICATION ISNTRUCTIONS

Thank you for considering the Town of Braintree for your event! Completing this form is the first step in your application process. **This is not your permit.** Due to the numerous requests we receive, completing and submitting this application does not confirm your date nor signify any intention by the Town to approve this application.

Applying for a Permit

STEP #1

Complete **ALL** fields on the Special Event application. Please attach all event information including route maps, site set up diagrams, list of vendors and any additional information relevant to your event. If you are a non-profit organization, please submit a copy of your 501C3 non-profit determination. (Please note a certificate of liability insurance is still required for non-profit organization.) Submit the completed application **at least 45 days prior** to the actual event date, and retain a copy for your records.

STEP #2

Return completed Special Event application with a check or money order for the \$25.00 application fee at least 45 days prior to the actual event date. Money orders or checks should be made payable to the Town of Braintree. Credit cards and cash are not accepted.

STEP #3

Mail/drop off applications with fee to:

Mayor's Office/Special Events Town of Braintree One JFK Memorial Drive Braintree, MA 02184

What happens next?

- 1. Your application will be reviewed to determine whether the requested location is available. Permits are granted on a first-come first-serve basis.
- 2. Applicable fees may apply to cover expenses incurred for facility custodial services and utility expenses. Charges will be determined by the Town and payment rendered prior to receipt of permit. A minimum fee of \$100.00 is charged per 2 hour period. A fee of \$45.00 is charged per additional hour. For events occurring outside of Town Hall hours, additional staffing costs will apply. Costs for police and/or fee details may also be assessed depending on the nature of your event.
- 3. If you are scheduling a large and/or complicated event, you may be required to obtain approval from several Town Departments (Building, Board of Health, Police and Fire) as well as one day alcohol and/or entertainment licensing. You will be notified as to which approvals are necessary depending on the size/scope of your event. These approvals must be obtained prior to the date of your event.
- **4.** You must secure and submit a certificate of Liability Insurance to the Town of Braintree **14 days** prior to your event. The Town of Braintree must be named as additional insured for the date and location of your event with a minimum amount of 1 million dollars (\$1,000,000) in liability. This is required for **all** special use permits and your permit will not be issued without the certificate
- 5. Your special event permit will be mailed, emailed and/or faxed to you. Due to the many changing components of an event, Special Event Permits are often issued only a few days in advance of your event.

Important Information

- All event publicity, printed materials and communications with your participants shall state Town of Braintree in the title when referring to your event location. (Example: "Braintree Town Hall")
- <u>Alcohol Policy</u>: **NO** alcohol is allowed without approval from the Town Licensing Board. If seeking Licensing Board approval, this form must be submitted with the application for a one day special alcohol license.
- All non-profit organizations must submit a copy of your 501C3 non-profit determination letter.
- The Town reserves the right to deny requests due to prior disrespect of facilities, property, equipment, personnel and/or rules and regulations.
