Petersen Pool and Rink Update

Braintree, MA – Late yesterday afternoon, the Town entered into an agreement relative to the transfer of the Petersen Pool and Rink Project to a new private operator. During the month of June, the new developer, E Street LLC, will be working with the Town to finalize the transition and complete the due diligence necessary to begin construction. During this time, we will continue to provide updates regarding the construction schedule and other steps required relating to this important project.

This agreement marks an important milestone in our continued efforts to bring the Petersen Pool and Rink Project to our town. We remain committed and confident that we will all soon be able to benefit from the generous gift from the Petersen family.

Again, we thank you for your patience as we move forward with this project.
