JUDGMENT

Entered: June 3, 2020

This cause came on to be submitted on a petition for review of an order of the Massachusetts Department of Environmental Protection.

Upon consideration whereof, it is now here ordered, adjudged and decreed as follow : The air permit is vacated, and that matter is remanded to the Massachusetts Department of Environmental Protection (DEP) for it to conduct further proceedings, limited to the purposes identified in this court's June 3, 2020 opinion.

It is further ordered that if and when DEP determines that it cannot reasonably conclude those proceedings and issue a decision within seventy-five days of the June 3, 2020 opinion, then DEP will consult with the other parties and make a filing with this court in this action showing cause why such additional time is reasonably required. Any opposition to the show-cause filing must be filed within seven calendar days of DEP's filing. Jurisdiction for the limited purpose of receiving and responding to such a filing.
