Application Policy

The following procedures must be followed when applying for a construction permit review.

1. Obtain a “Permit Review Application Form” at the Water & Sewer Division or the Building Inspector’s office.
2. Complete all questions in the “Applicant’s Statement” portion of the form, sign and date it. (It must be signed by the Applicant)
3. Bring the completed form, along with a copy of the construction plans, (non-returnable) to the “Offices of the Water & Sewer Division” and leave them for review. The construction plans must include existing and proposed conditions.
4. A decision will be made within seven (7) business days as whether a permit is required.
5. Permit Time Limit:
 - For any permits, if said permit is granted, the permit shall be valid for no more than one hundred and eighty (180) calendar days from the date of issue. If the project does not commence within this time period the permit shall become invalid.
 - Waivers of these time limits may be approved by the Department based on acts of God or other hardships.

FORM SHALL NOT TO BE CHANGED WITHOUT MANAGEMENT APPROVAL
