

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: 11-062

DATE: December 9, 2011

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 745 feet, more or less of 2 inch gas main in Hobart Street and Oakland Street, Braintree. From the existing 2 inch gas main at Prospect Street, Westerly to house #50 Oakland Street. All of which to replace and abandon the existing gas mains in Hobart Street and Oakland Street.

Petition #11 062 was unanimously approved by Council with the following conditions:

DPW: Hobart Street and Oakland Street from Prospect Street to near #50 Oakland Street. Both Hobart Street and Oakland Street were completely reconstructed in 2003 and remain in excellent condition. It is our recommendation that this petition **should be approved with our "standard" repair specifications (which include replacement of any materials damaged or disturbed, including concrete curbing. Curbing damage by National Grid's contractor has been observed at an adjacent location and the curbing is exposed to the same activities here) and with any temporary pavement being maintained flush with the surrounding pavement until final repair, and with the final repair including establishing uniform parallel lines (or at least no sharp angles) off each side of the repaired trench and milling and overlaying the area between those lines for the full length of the disturbance and doing the same at any lateral trenches.**
