

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: 10-027

DATE: MARCH 5, 2010

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 330 feet, more or less of 2 inch gas main in White Road, Braintree. From the existing 2 inch gas main in Hawthorn Road Northeasterly to House #22. All of which to replace and abandon the existing 2 inch gas mains in White Road, Braintree.

Petition #10 027 was unanimously approved by Council with the following conditions:

DPW: White Road may be in the next roadway reconstruction program, but Hawthorn Road is under the 5 year moratorium. The main in Hawthorn Road appears to be within the roadway area but on the White Road side, meaning that the trench in the new pavement would be small. In order to get the main installed before possible White Road work it may be advisable to waive the moratorium. It is our recommendation that this petition **should be approved with our "standard" repair specifications on White Road, but with an infrared repair of the new pavement in Hawthorn Road.**

Council: New pavement in Hawthorn Road shall be milled and overlaid.

Passed in Council – April 27, 2010
