Windjammer Cove
Question & Answer

The units will be leased in accordance with policies and guidelines established by the Commonwealth of Massachusetts Department of Housing and Community Development (DHCD) through its Local Action Unit (LAU) program.

What are the qualifications required for Prospective Tenants?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2	3	4
Up to 80% AMI	\$78,300	\$89,500	\$100,700	\$111,850

LOTTERY APPLICANT QUALIFICATIONS:

1. Household income cannot exceed the above maximum gross allowable income limits. Income from all adults 18 or older is required.
2. When assets total \$5,000 or less, the actual interest/dividend income earned is included in the annual income OR when assets exceed \$5,000, annual income includes the greater of actual income from assets or a .06% imputed income calculation. Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.
3. In addition to income and asset eligibility you will also be subject to a screening by the project and determined eligible based on that basis.
4. Applicants may not own a home and lease an affordable unit, including homes in a trust.
5. Persons with disabilities will be given first preference for such units regardless of what pool they are in based on the requested bedroom size. Where a person with a disability is awaiting an accessible unit and a unit with adaptive features becomes available, the owner/management agent must offer to adapt the unit.

Are there units available for Local Preferences?

Yes, 13 units are for households who meets at least one of the Local Preference Criteria as stated in the application.

Are there adaptable/Group 2 units?

All units are adaptable. There are no Group 1 or Group 2 units available. The units can be adapted to satisfy a reasonable accommodation request. There is not an elevator in the building. Persons with disabilities are entitled to request a reasonable accommodation in rules, policies, practices, or services, or to request a reasonable modification in the housing, when such accommodations or modifications may be necessary to afford persons with disabilities an equal opportunity to use and enjoy the housing. The request for a reasonable accommodation must be made at time of initial lottery application with the required documentation, i.e., letter from doctor.

Are there preferences for Household Size?

In all cases, preference for the two-bedroom units will be for households that require two bedrooms.

Household Size Preferences are based on the following:

1. There is a least one occupant per bedroom.
2. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
3. A person described in the first sentence of (2) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.
4. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.

5. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorces or separation has begun or has been finalized, as set forth in the application.

Are there considerations for minorities?

Yes, if the percentage of minority applicants in the Local Preference Pool is less than the percentage of minorities in the Surrounding HUD-defined area, currently 33.4%, a preliminary lottery will be held comprised of all the minority applicants who do not qualify for the Local Preference Pool. These minority applicants would be drawn at random from the general pool until the percentage in the local pool closely approximates the percentage in the surrounding HUD-defined area. Applicants not selected for the Local Preference Pool would be in the Open Pool only.

What happens if my household income exceeds the income limit?

Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income adjusted for household size, then after the end of your current lease you will have the option of staying in your unit and paying the market rent or not renewing your lease.

Lottery Process

Due to the nature of the affordable units' availability, it is important for everyone to understand the procedure. Please understand the allowable income guidelines are adjusted based upon your household size. Also be advised that the program and its requirements are subject to changes in local, state or federal regulations.

Lottery Pools

Nineteen affordable units are available by lottery at Windjammer Cove in Braintree. The lottery has two pools: Local Preference and Open. You must meet at least one of the Local Preference Criteria to be included in the Local Pool. The units' breakdown as follows:

Unit Size	# of Units	Local Pool	Open Pool
Two Bedroom	19	13	6

All of the applicants for a given pool will be pulled at the time of the lottery. This will establish the rankings for the distribution of units. This means if you are a household and meet the Household Size Preference (see Page 4) for a two bedroom unit and are drawn first in the lottery you will be offered a unit. This process will be identical for both the Local Preference Pool and Open Pool and will be used until all units are leased or until the lottery list is exhausted. Applicants in the Local Preference Pool will select the unit first then the Open Pool applicants.

Please note: Household size preference will override local preference. Household size shall not exceed, nor may the maximum allowable household size be more restrictive than, State Sanitary Code requirements for occupancy of a unit (See 105 CMR 400). Applicants will not be approved for units larger than their household size allows.

Once the lottery rankings have been determined your information will be forwarded to the Leasing Office for credit and background checks. If the Leasing Office determines you are eligible then you will be offered a unit.

You need to be determined eligible by MCO Housing Services, the Leasing Office and if you have a Section 8 or other housing voucher, your Public Housing Authority (PHA). If the PHA determines you or the project do not meet the eligibility criteria, then you will not be able to lease a unit.

If there are lottery applicants remaining once the affordable units are leased then they will be the beginning of the waiting list for future vacancies.

Time Frames

If you are selected and have the opportunity to lease a unit you will speak or meet with a representative to review your application to verify all information. Please be advised that the official income verification will be done at the time you have an opportunity to lease. Also understand you need to be income and asset eligible but will also, at minimum, be subject to a credit screening, landlord screening, employment verification, criminal background and CORI checks by the project and determined eligible or ineligible on that basis.

Acceptance of Units

The initial lottery “winners” may have a choice of the appropriately sized available affordable units. Local Preference Pool applicants will select units first and then the Open Pool applicants will select. Post lottery each applicant will need to meet with the Leasing Office and complete their screening by the deadline provided. If you miss the deadline, we will move to the next applicant waiting for a unit and you may lose the opportunity to lease.

Summary

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck in the lottery process.
